## Over 4 Million Poor Benefitted in 6000 Villages and 6 States

### Our **APPROACH**

## 360° COMMUNITY DRIVEN DEVELOPMENT

#### IT FOCUSES ON THE COMMUNITY

We strive to get an entire community involved. It may start with a small group, evolving, with time, into vibrant and dynamic community.

#### IT'S COMMUNITY FULL CIRCLE

All activities of the community are covered: income generation, health, education, water, food security, environment, social justice. Our approach is integrated and sustainable.

#### IT'S DRIVEN BY THE COMMUNITY

All people in the community are the real actors. They build on their existing assets. They contribute their time, money and energy. We help, support and guide.

#### IT'S COMMUNITY DEVELOPING THROUGH CAPACITY BUILDING

We share our professional expertise. With new knowledge, skills and a change of attitude, people become agents of change in their communities.

## About the **PEOPLE DEVELOPMENT TRAINING CENTER**

---

A globally recognized and evolving “Center for Excellence” provides a platform for change agents across the globe to exchange development knowledge and best practices. Bala Vikasa through its designed training modules shares its over 40 years of development experience to development practitioners, students, corporate and government officials across the globe. In the last 10 years, over 12,000 development professionals from 66 countries participated, enlightened, exposed and gained confidence in applying the learnt development practices at their personal level and in building their communities.

**11,962 development professionals from 28 states in India and 66 countries participated**

## PDTC **WORKSHOPS AND SEMINARS**

---

PDTC is conducting relevant, innovative and trendy development training programs to hundreds of development professionals and students. PDTC trainings are effective, cost-efficient and provides tools that development professionals would require to build their self and organizational development. Workshops and seminars are held throughout the year on relevant and contemporary development topics bringing together stakeholders to exchange knowledge and experience in community development programs.

## **CUSTOMIZED PROGRAMS**

---

PDTC also designs and delivers special tailor-made programs as per the needs of NGOs and Corporates from India and other countries in the area of sustainable community development. These trainings can be designed separately to the administration and field staff on different community development strategies and approaches. PDTC can accommodate a large group of 150 in its artistically designed campus.

**We Teach What We Do... Show What We Teach...**
