Imparting Knowledge | Building Skills | Changing Attitudes

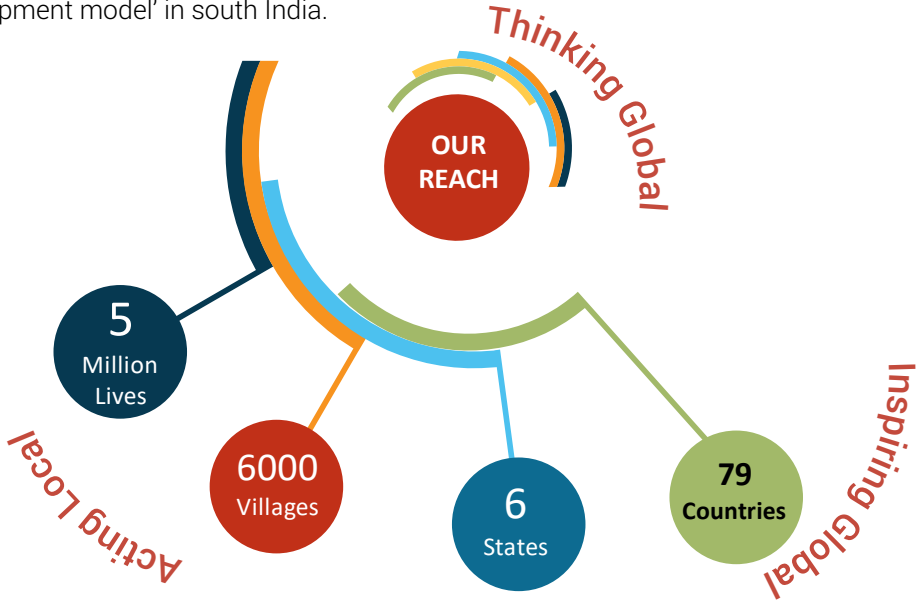

**People Development Training Center (PDTC)**

*Investing in People*

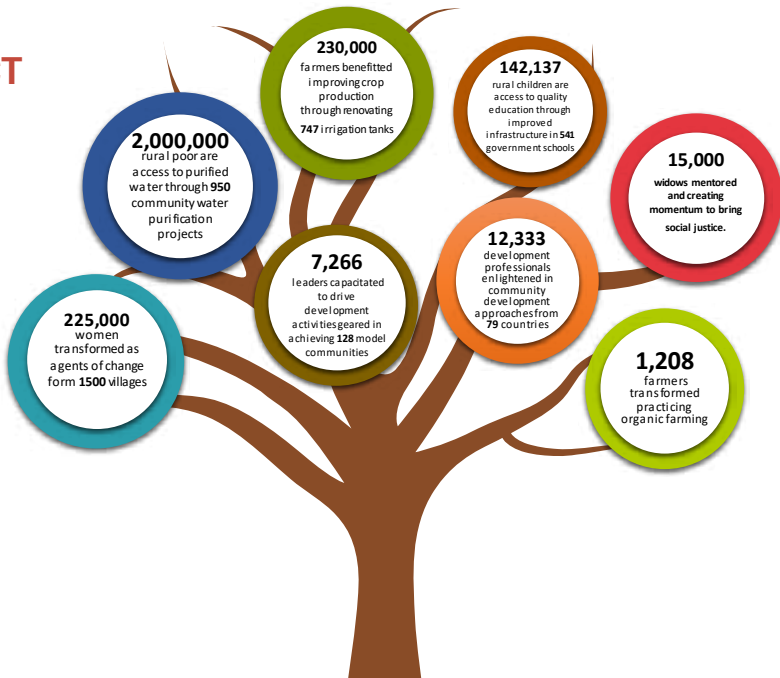

# BALA VIKASA

Helping Communities Help Themselves

Bala Vikasa established in 1990 in India, with parent organization SOPAR, 1977 in Canada is a secular, non-profit, professional community development organization working with a motto of "Helping Communities Help Themselves", and recognized as a 'community sustainable development model' in south India.

## Our IMPACT

# P D T C

## People Development Training Center

PDTC established in 2002 with a motto of 'Investing in people' provides a platform for development professionals across the globe to learn and exchange development best practices. PDTC not only talks on Bala Vikasa's 43 years of community development sustainable practices but also show how by application created community driven sustainable development models in different sectors like Women, Water, Education, Food Security and Model Communities. Community Driven Development CDD training program at PDTC is taking a momentum and reaching development professionals across many countries. Over 13500 development professionals were trained from 79 countries.

## WORKSHOPS AND SEMINARS

PDTC is conducting relevant, innovative and trendy development training programs to hundreds of development professionals and students. PDTC trainings are effective, cost-efficient and provides tools and skills in implementing effective, economical and sustainable programs. Workshops and seminars are held throughout the year on relevant and contemporary development topics bringing together stakeholders to exchange knowledge and experience in community development programs.

## CUSTOMIZED PROGRAMS

PDTC also designs and delivers special tailor-made programs as per the needs of NGOs and Corporates from India and other countries in the area of sustainable community development. These trainings can be designed separately to the administration and field staff on different community development strategies and approaches. PDTC can accommodate a large group of 150 in its artistically designed campus.

## We Teach What We Do... Show What We Teach...
