

(Dear \_\_\_\_\_),

**March 22 is World Water Day.**

Our School will join the "**WALK FOR WATER: Canada & India unite for Water**" with over 5 000 students from different schools across Canada and more than 20 000 people in India. In collaboration with SOPAR (Society for Partnership), this international event will raise awareness among young Canadians about water issues, while providing thousands of rural Indian families access to water.

We would like to request your support for this cause through the **sponsorship** of our walk. In making a donation to our school, you will benefit in several ways:

- 1. Help us build a bore well in India which will provide 35-50 families with a new water access point for the next fifteen years!**
- 2. Your company's logo will be displayed on the campaign's poster** which will be printed and displayed at venues;
- 3. A receipt for tax purposes will be issued** for all donations over \$15.
- 4. A public thank you for your contribution to the project in local newspapers.**

**If you accept to become a Sponsor, please fill out the form included with this letter.**

For further information, please do not hesitate to communicate with me at (Your phone number and/or email).

Thank you for your support,

*SIGNATURE*

(Your name, title, and School name)
